

# MOZZIE ELECTRIC HO

## FEATURES

- ◆ All Electric Power
- ◆ Simple Operation
- ◆ All Aluminum/Stainless Construction
- ◆ Stackable Storage
- ◆ Plug & Play Controls
- ◆ Larvicide Application Ready

The Mozzie Fog Electric High Output units provide the power, performance, durability and simplicity to give years of dependable service. From the fully integrated enhanced security system to the sturdy heavy duty construction, the HO is designed with the Vector Control professional in mind. Two independently controlled nozzles provide 360° infinite adjustable position capability.

The quick release nozzle feature makes the Mozzie Electric Fog easily convertible to a dry granular applicator by addition of the fully compatible Arro-Gun Granular Application System. Versatility, performance, and economy add up to a must have in your adulticiding arsenal.

## SPECIFICATIONS

	US		Metric	
Dimensions	42" W x 21"D x 40" H		107cm W x 53cm D x 102 cm H	
Weight	Net: 170	Gross: 220	Net: 77.2 Kg	Gross: 99.9 Kg
Chemical Tank	6 Gallon Max Capacity HDPE, Fully Enclosed			
Pump	12 VDC FMI Type QB1			
Pump Flow Rate	1-19 OPM			
Voltage Input	12 Volts DC Nominal, 12.5 - 13.2 w/charge			
Voltage Output	110 V a.c. Modified Sine			
Full Load Amperage DC	85-90 Amperes			
Full Load Amperage AC	10-11.5 Amps			
Recommended Battery	Optima Yellow Top Gel Cell SC34DU (Included)			
Recommended Alternator	Minimum 135 Amp, Heavy Duty or High Output Recommended Note Vehicle Model, Year, Engine Type
